Students will be engaged in lively activities while learning basic phrases, building vocabulary, singing and dancing-all in French! We'll begin with conversations that let us know who we are and what we like to do. Puppets and animal figures will speak for us as well as our regular selves. Our class hamster, Xavier, will be with us, too, when we learn about names of pets and what they like to do. And a little taste of the French cuisine will make a presence in the class, mais oui! Varied activities will keep students active and interested.

**At certain lessons, a French breakfast and lunch will be served in small portions as the French do! (Any food allergies and/or dietary preferences will be accommodated).

Instructor: Deborah Weinstein teaches second grade at Tehiyah. She simply loves the French language and has studied, traveled, and lived in France throughout her life.
