We will make many different and wonderful things out of clay. Students can create a cup, a wind-chime, an animal, a miniature scene, or something from your imagination! Students can explore many options. Work will be fired and glazed using colorful and SAFE glazes so that the projects you take home are both usable and decorative. Teacher will gear projects with a mind to age/skill levels--thus older students may want to explore projects of more complexity with help on an individual basis.

Instructor: Chris Lack is a ceramic artist and a practicing landscape contractor with a Master's Degree in Fine Arts from San Francisco State University. He has developed an ongoing pottery program at Kensington After School Enrichment Program and has run classes for adults in ceramics through the City of El Cerrito at the Tassajara clubhouse for several years. He enjoys working with students of all ages and backgrounds. Contact: lack_chris@yahoo.com, (510) 409-7041.
